

whoever reads this that I never made a bomb threat. And while I suppose I should not think out loud, I am nonetheless a former Marine who loves my country and, being that this particular day was the Marine Corp Anniversary, was very disheartened by the news headline saying President Obama was considering sending another 40,000 troops to Afghanistan. So, to clarify, at no time did I make a bomb threat – nor did I intentionally say something meant to be interpreted as a bomb threat.

FURTHER AFFIANT SAYETH NAUGHT.
