Description:

Narrative:

On April 26, 2010 I received a copy of an On-Line Incident Report filed with the Office of Student Conduct concerning an alleged hazing incident involving the complainant's daughter. The report indicated that the alleged victim was pledging with Mu Sigma Upsilon starting February 26, 2010 and eventually stopped on March 28, 2010, when she withdrew from the pledging process. The report alleges that she was required to participate in "physical-pledging" which included push-ups, sit-ups in a steaming bathroom; among other things. These activities allegedly occurred at various locations; on and off campus. The alleged victim was also alleged to have been subjected to being yelled at, cursed at, and insulted. The report did not disclose any subject names with the exception of the complainant, who is the alleged victim's mother.
