

now hiring part-time campus associates at **University of Central Florida**

Amazon is looking for enthusiastic candidates to work at our University of Central Florida pickup point

Campus Pickup Points bring Amazon's broad selection, low prices and convenient shopping experience to the heart of campus communities and offer a number of additional student-focused features.

As an Amazon part-time campus associate at a campus pickup location, you're the one behind the smile on the box when customers pick up their packages.
