Dear.

AS a Manager of International Police Sciences Association (IPSA), with a successful more than 20 years Track as a scientific institution leader and innovator, I am ready to take on the challenge of leading University of Central Florida as a President to the next level.

Over the course of my career in Sharjah Research Center, Qatar Police Academy, And Egyptian Police, I have gained a wealth of experience successfully managing teams and academic institutions development.

I have strong track record for Headship and Management of Academic and Professional Institutions, setting general Strategies Frameworks, International Programs and Partnerships, Institutional and Government Excellence, Organization of Scientific Events, directing budget planning initiative teams .

I am my particularly proud of my experiences in the Sharjah Research Center because Facilitated Sharjah police to receive many awards, notably Minister of Interior's Excellence Award in 2013 and Al-Sheikh Muhammad bin Rashid Award for Government Excellence in 2014. Facilitated Sharjah Security Zone to come in first place and receive Government Excellence Award in 2014.

I always make a point to stay on top of current Education market trends and identify new business opportunities. To continually grow revenue year to year, I have worked collaboratively with an executive team to ensure optimal performance at all levels.

When we have the opportunity to meet, I'd like to discuss how I can make an immediate impact on the performance of University of Central Florida would enjoy the opportunity to speak with you in person regarding my qualifications and experience.

Sincerely

Prof. Mamdooh Abdelhameed Abdelmottlep (Ph.D., JD)
