**Subject:** Results of hearing on March 2, 2021 at 4:30pm

**Date:** March 3, 2021

In regard to the four (4) affidavits filed on February 24 by Austin Wilson, the commission determined with a vote count of 6-0-2 and using the standard of preponderance of evidence that a violation was committed. Since the four (4) affidavits pertained to similar media the commission unanimously determined it would be best to see the four (4) affidavits as one singular violation. With a vote count of 8-0-0 the commission determined that appropriate sanctions for the violation would be as follows:

- Removing any media that shows the candidates with no mask post-COVID by 11:59pm on March 3, 2021
- Electronic Media limitation of two (2) days effective March 4, 2021 at 12:01a – March 5, 2021 at 11:59pm
- Any media of candidates with no mask from pre-COVID must include a disclaimer clearly stating that. The disclaimer should be included for future posts/media and edited on to past media.
